PETITIONING THE COURT

The probation officer believes that the defendant has violated the following condition(s) of release:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
Mandatory Condition No. 1: "The defendant shall not commit any offense in violation of federal, state, or local while on release in this case."	On October 5, 2006, the defendant was arrested by agents of the Columbus(Ga) Metro Drug Task Force for the following: 1) Possession of a Firearm by a Convicted Felon; 2) Possession of a Firearm in the Commission of a Crime; 3) Trafficking in Cocaine; and 4) Possession of Scheduled Narcotics. The firearm is a semi automatic Glock 21 which is a 9mm pistol capable of holding fifteen rounds of ammunition. He was in possession 379.9 grams of both cocaine and cocaine base and 187 Lorazepam pills. Lorazepam is an anti-anxiety drug and is sold under the brand name of Ativan. The offender is in custody in Columbus, Georgia under a "no bond" order.

Supervision history of defendant and actions taken by officer: The defendant has been on release since January 6, 2006. He had maintained employment and had no positive drug tests.

U.S. Probation Officer Recommendation: I recommend that his bond be revoked and that he be remanded into custody. Due to this latest arrest, I believe that there are no bond conditions or combination of bond conditions that can adequately address the danger he presents to the community. I have been in contact with the investigating detective and he advises that this latest arrest will be referred for prosecution in the Middle District of Georgia.
